

Anduzzi's 2019 Bags Fall League

League Rules:

- Each night, teams will play a series of 3 games against their opponent
- League scores will run on a 4-point scoring system, with one point given to the winner of each individual game, and a bonus point given to the winner of the overall series.
 - *Example:* If Team A wins 2 games and Team B wins 1, Team A is awarded 3 points (2 for their game wins and 1 for winning the matchup) and Team B gets 1 point
- If a team fails to show up for a night, they forfeit all 4 points to their opponents
- Subs can be used. Anyone can be a substitute, even a member of another league team.
- Boards are placed 27 feet apart from front edge to front edge.

GamePlay/Scoring

- Before the start of each series, there will be a coin toss to determine which team will throw first, and who picks the starting positions of the players. After each game, players switch ends, but stay on the same side of the board.
 - Switch places with the player directly across from you
- Each round consists of two players throwing a total of 4 bags each, alternating throws between each player
- Each player throws from behind the front of the box, standing on either side. If a player steps beyond the front of their box, the bag is not counted
- Bags CANNOT bounce or roll onto the board
- Points are scored when a player has a bag either in or on the box. Bags in the hole are worth 3 points, and bags on the board count as 1 point.
- Only one team can score per round, so points cancel each other out
 - If Team A gets a bag in the hole and a bag on the board, and Team B gets two bags on the board, then Team A gets 2 points (their 4 points – Team B's 2 points)
- Games are played to 21 points. Winner is the first team to hit 21 points EXACTLY
 - If a team goes over 21 points, the game continues, with that team's score going down to 15
- The team that scored in the previous round throws first the next round. If the previous round is a wash, then whatever team scored last throws first.
- Score sheets will be filled out and must be turned in to the bartender at the end of play to receive 1 free drink/team prior to the end of the night
